PER CURIAM:

AND NOW, this 16th day of March, 2010, the Petition for Allowance of Appeal is **GRANTED**. The issues, paraphrased for clarity, are:

- a. Whether the attorney-client privilege applies to communications from the attorney to the client.
- b. Whether the Superior Court erred in holding the attorney-client privilege applies only to confidential communications from the client to the attorney, pursuant to Nationwide Mutual Insurance Company v. Fleming, 924 A.2d 1259 (Pa. Super. 2007).
